

OC-NAACP COUNTY'S MESSAGE

We have been overwhelmed by the generosity of those who answered our call to join the NAACP. Through greater membership, our collective opportunity in making a positive difference does impact advocacy initiatives, outreach programs, and litigation efforts of the NAACP.

The continued focus of Orange County NAACP is to lead in the efforts for social justice and change, within a democratic process. And this is possible only through the support of individuals who -- irrespective of race, religion, political affiliation, or ideology -- are unyielding in their purpose to ensure the political, educational, social, and economic equality of all citizens.

The Orange County NAACP provides guidance with regard to the protection and enhancement of the civil rights of African Americans and other minorities. We believe in networking with other groups that share in the NAACP's mission and purpose. We look forward to developing a Youth and College Division of Orange County NAACP in order to foster the leaders of the future, stronger and more effective leaders of the new generation.

We encourage anyone interested in learning more about NAACP to become actively involved by sharing their talent, interest, and drive for the betterment of all. Together, we must continue to work tirelessly to achieve full political empowerment for all.

Sincerely,

Orange County NAACP
